Brand New Book ***** Print on Demand *****.Children like coloring fun, friendly looking animals because they can make up stories to go along with the situation depicted. One child also may like the orderliness of filling in within the lines, while another may enjoy drawing extra elements or designing the clothes the characters are wearing. Coloring sparks a child s imagination and allows him or her to express their creativity and individuality. If you re looking for the perfect gift for a young child, consider a coloring book and a fresh box of crayons.
