A GAME CALLED SALISBURY: THE SPINNING OF A SOUTHERN TRAGEDY AND THE MYTHS OF RACE

DOWNLOAD

Infinity Publishing. Paperback. Book Condition: New. Paperback. 476 pages. Dimensions: 8.3in. x 5.5in. x 0.7in.Through a mix of news reports and oral history, Wells details two true tragedies set in Rowan County, North Carolina in 1906. Near midnight on Friday the Thirteenth of July, fourteen-year-old Addie Lyerly, awakened by smoke, descended the stairs of her family farmhouse and found her parents and siblings drenched in blood and encircled by flames. The ax murder of Addies relatives would lead to the lynching of two men and a teenage boy, African Americans who had worked on the Lyerly farm before the murders. Named after the lynching games children played in the aftermath, A GAME CALLED SALISBURY is more than a story about a regional tragedy. What sets the book apart from other murder and lynching accounts is its in-depth examination of the political influences on the 1906 press, as well as its glimpse into the private lives of reporters covering the story. It illustrates one of the more devastating residual effects of Post Reconstruction white supremacist campaign tactics. And it gives graphic examples of racist distortions that created much of the mindset and myths about race remaining today. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
