He waited till the end of the match fell off. Then he said again, quot;She is there, the cow. There, now.quot; quot;You have not proved it,quot; said a voice. quot;I have proved it to myself.quot; quot;I have proved to myself that she isn t,quot; said the voice. quot;The cow is not there.quot; Ansell frowned and lit another match. quot;She s there for me,quot; he declared. quot;I don t care whether she s there for you or not. Whether I m in Cambridge or Iceland or dead, the cow will be there.quot; It was philosophy. They were discussing the existence of objects. Do they exist only when there is some one to look at them? Or have they a real existence of their own?.
