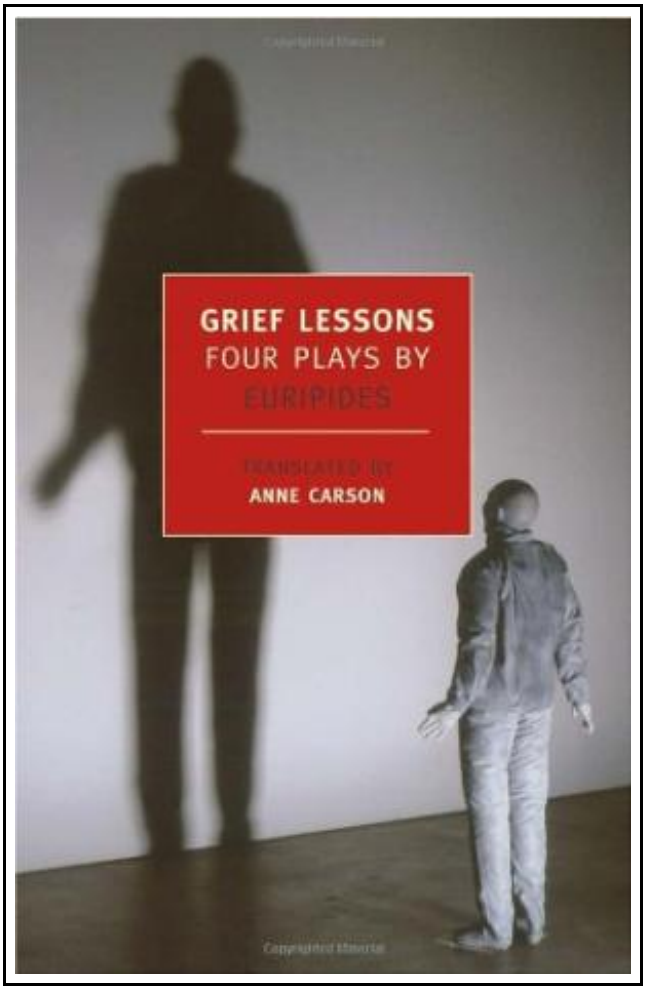
Grief Lessons: Four Plays



Filesize: 7.4 MB

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

The New York Review of Books, Inc. Paperback. Book Condition: new. BRAND NEW, Grief Lessons: Four Plays, Euripides, Anne Carson, Euripides was the last of the three great tragedians of ancient Athens. His plays were shockers: he unmasked heroes, revealing them as foolish and savage, and he wrote about the powerless-women and children, slaves and barbarians-for whom tragedy was not so much exceptional as unending. Four of those tragedies are here presented in new translations by the contemporary poet and classicist Anne Carson. They are Herakles, in which the hero swaggers home to destroy his own family; Hekabe, set after the Trojan War, in which Hektor's widow takes vengeance on her Greek captors; Hippolytos, about love and the horror of love; and the strange tragic-comedy fable Alkestis, which tells of a husband who arranges for his wife to die in his place. The volume also contains brief introductions by Carson to each of the plays along with two remarkable framing essays: "Tragedy: A Curious Art Form" and "Why I Wrote Two Plays About Phaidra.".
