Do we can never see a color. hear a sound. smell an odor? The educational needs of the scientific (academic). but the educational content of the rich. far from being scientific (academic) can be covered! Education should be more kind. more emotional. more plentiful. more humane form to express themselves. How rich. pedagogy should be how rich! The group of young education experimenter. tired of the the current pedagogy dogma. mechanization. academic. and dissatisfaction with just a tone in the pedagogy. they began to create their own era education school - new ecological education school. They hope to create a sunny....
