During this challenge, he searched deep within and listened intently to his inner voice to initiate changes to the way he felt, thought, and responded to different events in his life. In doing so, he was able to discover a Higher Power that led him from the Catholic Church, in which he was raised, to a new spiritual world inspired by his Native American heritage and culture. To quote the author, The purpose of this book is to bring you to an awareness of your inner self in the place where you reside in this world, physically, emotionally, psychologically, and spiritually. I have found that many parallel worlds reside together side by side, and it is up to me to put myself where I choose to be for the greater good. After all, Nothing changes if nothing changes.
