That is until a small plane suddenly circles the venue and her ex-boyfriend jumps out and begins his descent, spurts of smoke shooting out of the heels of his boots. Susie and her father are just pulling up to the dockside in a white festooned boat, to where her groom and two hundred guests are waiting. For the father of the bride, it s the last straw. He reaches for a flare gun, and before Susie can react, fires it into the air. Unfortunately for the sky diver, flare guns cannot be aimed. The flare hits the parachute and ignites it. Chute blazing away, Susie s ex plummets into the wedding tent. Unscathed, he struggles to free himself of parachute and lines. The wedding cake and various food trays have not faired so well. Will the wedding proceed as the police take the heartbroken suitor away?.
