A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

Brand New Book ***** Print on Demand *****.In the world of letters the name of Gabriele d Annunzio is now famous. There is no cultured society which does not know something at least of the author of the Innocente and the Trionfo, and is not aware that, in him, one of the ablest and most delicate of living critics believes that he has seen the personification of a renascence of Latin genius. Imprisoned as his novels were in the limits of a language which, however great its beauty, is but little known except in its own land, he has been extraordinarily fortunate in finding such sponsors in the outside world as he has obtained in M. Herelle, in Rene Doumic, and in the Vicomte de Vogue. Never has any romance been so admirably heralded as the Trionfo in the Revue des Deux Mondes, and never certainly, since lyre was strung or laurels were woven, was any praise ever heard so dulcet and so lavish as that with which he, who has been called the second Chateaubriand, has welcomed and introduced the new Boccaccio.
