Brand New Book ***** Print on Demand *****.Have you ever wondered why humans are so obviously designed, not for climbing trees or wandering the plains, but for travelling and even living, underwater? We have completely water-proofed skin; webbed areas of skin between our fingers and toes; our ideal body shape is streamlined; any body hair lies flat against it in water; many of us have a love of the sea, and feel drawn to the shore as an antidote to our work-life; we have nose, ears and eye protection from damage in water, and even new-born babies can hold their breath and swim underwater with their eyes open. There are many tales and myths in sea-faring and ancient cultures that talk of mermaids and underwater cities. Surely they can t all be crazy ramblings, bourn of exhaustion and/or alcohol and drug abuse? So, what if. The Riddle of Riah is a mixture of known facts and fiction, following the sad tale of a whole aqua-clan and their attempts to integrate into a land-locked society, through the medium of music. The story is told from the perspective of the son of the Private Investigator Riah presents her fears to. Stuart Elkna tells the tale in retrospect, using the records and notes of his father, the memories of his mother, the police surgeon who becomes embroiled in the mysteries of the investigation and the articles written at the time by a would-be ace reporter. The story is multi-faceted; the names of the characters are all body-parts reversed, making most of them pretty alien/foreign sounding; there is a hint of naturally occurring sex-change; a telepathic communication between family members; a magic ring; a supernatural battle of wills and...
