Fully updated for the March 2015 Budget and the July 2015 Summer Budget. Inheritance tax is a particularly nasty tax as it s a tax on your capital that you ve accumulated from your after tax earnings. It applies at 40 on the value of your estate above the nil rate band (currently 325,000). It s not just the assets held at the date of your death that are included, but also assets gifted away (in some cases) up to 14 years before. In this book we look at some of the top ways you can legally reduce your inheritance tax liability. There are a number of options and opportunities - from simply giving away assets to setting up a trust or emigrating from the UK completely. Topics covered include: How to reduce Inheritance tax on gifts How the exemption for normal transfers of income applies How the new 1Million allowance applies for your home When the 7 year period becomes a 14 year period What to do and when to avoid Inheritance tax Reducing...
