By United States Government Us Army

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This publication, Army Techniques Publication ATP 1-20 Military History Operations Change 1 August 2015, is the first historical ATP released under Doctrine 2015. It replaces FM 1-20. ATP 1-20 makes numerous changes from the now obsolete FM 1-20. ATP 1-20 includes a discussion of how the Army organizes for field history operations to ensure that Army operations are captured for the historical record. The most significant change is the introduction to the various types of military history detachment (MHD) organizations and doctrinal missions. ATP 1-20 also delineates the principles field historians follow to execute their duties. ATP 1-20 contains six chapters: Chapter 1 discusses the Army Historical Program and its component parts, outlines the duties and responsibilities of each element in the Army Historical Program, identifies the responsibilities of commanders for performing command and unit history programs, and discusses field history during Army operations and at home station. Chapter 2 discusses the integral role of military history, and provides guiding principles for field historians to follow when performing their duties and responsibilities. Chapter 3 discusses how the Army...
