Next to self-preservation is the importance of the sex instinct, for without it you and i wouldn t be here. Military leaders know how important your love life is to you. for they too were young once. So they ask the chaplain to talk on sex morality, hoping that you have not only a sense of fear to which the medics appeal when they tell you the dangers of promiscuous relations, but also a sense of right and wrong to yourself and to others. Here you sit. feeling pretty good. You may not have been glad to get up this morning, but you are glad.that you arc not injured at this moment, that you have clear sight, reasonably clean skin, muscles of iron and plenty of mentality. I was going to say plenty of mettle, but I didn t want you to think I meant lots of brass. Gentlemen, I admire you, the world admires you, for your fine individual selves. Let me ask you, Aren t the lads from America given the best chance of all young men in all climates to be the healthiest and tltc most wholesome? I m not talking about a super race. You will agree with me further that those men you admire most arc morally clean. Thus I first appeal to your personal pride, the pleasure you have in being what you arc. I plead that you remain, at worst, as good as you are! Twenty years from now the medical advisers on this platform will say...
